### **Item 3 - Disciplinary Information**

Registered Investment Advisors are required to disclose all material facts regarding any legal or disciplinary events that would be material to your evaluation of each supervised person providing investment advice. No information is applicable to this item.

### **Item 4 - Other Business Activities**

Registered Investment Advisors are also required to disclose all material facts regarding any other business activities that would be material to your evaluation of each supervised person providing investment advice.

Advisory Representative is also a registered representative of an affiliate company, Triad Advisors, LLC ("Triad"). Triad as broker-dealer and your Advisor will be compensated on the normal and customary commission schedule for general securities business. Clients should be aware that these services involve a possible conflict of interest, as commissionable products can conflict with the fiduciary duties of a registered investment adviser. In the capacity as a registered representative, one may receive distribution or service ("trail") fees from the sale of certain mutual funds (including money market funds pursuant to a 12(b)-1 distribution plan or other such plan as compensation for distribution or administrative services which are distributed from the fund's total assets). These fee arrangements will be disclosed upon request of a client and are available in the applicable fund's prospectus. Thus, the Advisor will receive more compensation if the client purchases certain investments, such as mutual funds, private funds or new issues that pay fees to Triad Advisors, LLC. Clients may also open brokerage accounts with Triad Advisors, LLC, which are not the Firm advisory accounts and would receive compensation in connection with trades executed in these accounts. Your Advisor has a conflict of interest and an incentive to recommend investment products based on the compensation received rather than on a client's needs.

Advisory Representative is engaged in offering and servicing insurance products as an insurance agent. Advisor may offer fixed annuities, variable, and/or non-variable insurance including, but not limited to, life, accident, health, auto, disability income, property and casualty and long-term care. A portion of time each week is dedicated to insurance and insurance sales, and the financial advisor can earn commissions.

Jesse Hansford operates under Professional Planning and Wealth. Professional Planning and Wealth is not a separately registered investment adviser and is a business entity only providing support services to Jesse Hansford acting as an investment adviser representative of Osaic Advisory Services, LLC. Checks for investment products should only be made payable to our qualified custodian or directly to the product sponsor company. Investment checks should never be made payable to your investment adviser representative or his/her business entity. Furthermore, you should not make a personal loan to your investment adviser representative or invest in his/her business entity. Please contact Osaic Advisory Services, LLC at 866-580-8219 if you have any questions.
